

Morning Session on June 15th

Chair **Beishui Liao**

- 09:00-09:10** **LNGAI Opening**
Beishui Liao, Zhejiang University
- 09:10-10:10** **New Directions and Considerations for the BOID**
Jan Broersen , Utrecht University
- 10:10-10:40** **Are Large Language Models More Rational Than Humans in Ascribing Responsibility?**
Yueying Chu, Zhejiang University
- 10:40-11:00** **Coffee Break**

Chair **Jieting Luo**

- 11:00-11:30** **Field Knowledge as a Dual to Distributed Knowledge A Characterization by Weighted Modal Logic**
Yì N. Wáng, Sun Yat-sen University
- 11:30-12:00** **Model Theoretic Aspects of Modal Logic with Counting**
Xiaoxuan Fu, China University of Political Science and Law
- 12:00-12:10** **Photo Session**
Location: The gazebo in the garden of Bldg.4 Chengjunyuan
- 12:15-13:00** **Lunch**
Location: at reserved area on the 3rd floor of Liushi Diner

Afternoon Session on June 15th

Chair **Jieting Luo**

13:30-14:30 **Causality and Responsibility in Multi-agent Systems**
Mehdi Dastani, Utrecht University

Chair **Beishui Liao**

14:30-15:30 **Human Norms, Machine Norms and AI Value Alignment**
Marija Slavkovic, University of Bergen

15:30-16:00 **Coffee Break**

Chair **Bruno Benzten**

16:00-16:30 **Towards a Logical Analysis of Epistemic Injustice**
Huimin Dong, University of Luxembourg

16:30-17:00 **Towards a Logical Approach to Recommendations**
Wei Wang, Tsinghua University

17:00-17:30 **Decidability of Horn Theory over Intuitionistic Tense Logic S4**
Yiheng Wang, Sun Yat-sen University

Dinner

17:30-18:30 **Location: at reserved area on the 3rd floor of Liushi Diner**

Morning Session on June 16th

Chair **Liuwen Yu**

- 09:00-10:00** **Structural Inference of Dynamical Systems:
Recent Development and Future Directions**
Jun Pang, University of Luxembourg
- 10:00-10:30** **Neuro-Symbolic Approach for Legal Tasks Based
on Large Language Models**
Bin Wei, Zhejiang University
- 10:30-11:00** **Coffee Break**

Chair **Xingchi Su**

- 11:00-11:30** **Exploring Defeasible Reasoning in Large
Language Models: A Chain-of-Thought
Approach**
Zhaoqun Li, Zhejiang University
- 11:30-12:00** **A Principle-based Analysis for Numerical
Balancing**
Muyun Shao, Zhejiang University
- 12:15-13:00** **Lunch**
Location: at reserved area on the 3rd floor of
Liushi Diner

Afternoon Session on June 16th

Chair **Davide Liga**

13:30-14:30 **Weakest Link, Prioritised Default Logic and Principles in Argumentation**
Liuwen Yu and Leendert van der Torre, University of Luxembourg

Chair **Jun Pang**

14:30-15:30 **Witnesses for Answer Sets of Logic Programs**
Yisong Wang, Guizhou University

15:30-16:00 **Coffee Break**

Chair **Jinsheng Chen**

16:00-17:00 **Categories & Categorization**
Alessandra Palmigiano, Vrije Universiteit Amsterdam

17:00-17:30 **Enforce Actions based on Structured Argumentation Theory under Legal Contexts**
Zhe Yu, Sun Yat-sen University

17:30-17:40 **Closing Remarks**
